State that these are reserve lands and some large areas have already been leased out. Applications in this regard are under consideration of the Govt. It would be advisable to keep these lands as such pending disposal in favour of the applicants. This Dept cannot afford to forego any more lands for cultivation

Sir

Sub:- Request for grant of lands in Ukkunda, Kenchammanahalli & Antharagange villages in Bhadravathi Taluk - From the President Sri Rameswara Co-operative Farming Society.

Ref:- Your Memo No. AFD-494-FGL-59 Dt. 15-10-59.

As the areas in question are included in the Reserve Forest and since large areas have already been released in this locality it would be opposed to the interest of the National Forest Policy to release lands any further. This Department cannot afford to forego any more forest lands for cultivation.

The two enclosures received with your memo under reference are retransmitted.

Yours faithfully,

OFFICE OF THE MINISTER FOR REVENUE
18 NOV 1957
BANGALORE

To

The Hon'ble Chief Minister,
Government of Mysore, Bangalore

From :-

The Members of the Joint-Co-Operative Farming Society of (Ukkunda, Kenchammana-halli, Mavinakere etc.) Bhadravathi

---

SUBJECT : Our representation to your goodself dated 31-10-58 in the matter of release of lands (becharak) of the aforesaid society for purpose of undertaking Joint Co-Operative Farming

---

In continuation of our above representation, we respectfully submit that though the matter has been finally referred for disposal at your benign hands, we have not been favoured with final orders in this behalf.

Taking advantage of this, some parties who are interested in the disunity of the villages and with the sole object of bringing down the already com titued Society which has done much progress in the formation of the abovesaid Society, are doing mischief by preach-ing ill-will and are aiming at forming another Society and collecting funds etc. This is an unhealthy state of affairs and has done much havoc.

Unless the matter receives urgent consideration at your hands and final orders passed by your goodself we are afraid, the whole work that has been now done towards the formation of the abovesaid Society will be fruitless and anti-social elements will gain in the wrong. Hence we are bringing the urgency of these matters.

Kindly accord sanction of the lands in the aforesaid villages for forming the said Society and we shall be highly grateful to you Sir. . The matter is very urgent and requires most careful and sympathetic consideration at your hands.

Yours faithfully,
